I am Computer Engineer with passion for software development. My background in various technical fields equipped me with problem-solving skills, adaptive reflexes and a holistic approach in technical problems. I am currently working in my dissertation in Computer Engineering and looking for ways to leverage my skills and gain more knowledge in the field of Software Development.

Work Experience

Electronic components assembly specialist / RnD specialist
SmartMoto Electronics

2019–2024

My job was to develop and manufacture electronics for motorbikes.

The manufacturing included:

- SMD soldering,
- wiring looms and accesorries,
- assembly of microelectronics,
- processing of aluminum slabs.

The development part included:

- developing software to automate tasks,
- prototyping of electronic circuitry,
- new products prototyping,
- assignments for the development of the company.
- AVR microcontrollers prototyping

Technician / Assistant Audio Engineer
Wreck IT Sound Studios

2017–

The purpose of the job was to care for the technical function of the studio

The main workload of the job included:

- cable soldering,
- repairing mixing consoles and audio gear,

- guitar maintanance, setup and repair,
- development of audio gear,
- audio engineering,
- recording engineering.

Technician
Super TV Korinthos

2015–2019

The work in the TV station included the management of 4 local and peripheral TV stations.

The primary responsibilities was:

- maintaining the programm flow,
- video Editing in Edius,
- camera work, indoors or outdoors.

Furthermore sometimes occured tasks like:

- directing LIVE broadcasts and shows,
- sound recording,
- gear maintainance,
- LIVE streaming on Youtube and Facebook.

Education

Computer Engineering and Informatics Department(CEID)
University of Patras

    Currently in the phase of dissertation.

High School
3o High School of Korinthos

Skills

Programming Languages	: *C/C++, PHP, Javascript, SQL, JAVA*
Scripting	: *Bash, Python*
Markup	: *HTML, CSS, LATEX ,XML*
Other	: *Linux, git*
Soldering	: *Through Hole, SMD*
Guitar Technician	: *Setup, Maintanance, Live Support*
Driving Licence	: *Type B*

Languages

Greek	: Native
English	: C2
